

This is a good deal! Please do not pass it up.

Stryker is discontinuing the LifePak CR+ AED. They will continue to support it and provide supplies for eight more years, so that those AEDs just purchased will be supported for their full warranty period. Stryker is offering a special buy-back option right now. **If you would like to trade in your old CR+ AED, they will give you a \$250 rebate on the purchase of a new LifePak CR2 AED.** We recommend the semiautomatic version with USB which we can get for \$1,365. So your cost would be \$1,115 plus shipping of \$15.

You can tell how old your current CR+ AED is by looking at the Medtonics Serial Number. If it starts with

- 39, then the warranty expired in 2019,
- 40, then the warranty expires in 2020,
- 41, then the warranty expires in 2021,
- 42, then the warranty expires in 2022,
- 43, then the warranty expires in 2023,
- 44, then the warranty expires in 2024,
- 45, then the warranty expires in 2025,
- 46, then the warranty expires in 2026,
- 47, then the warranty expires in 2027,
- 48, then the warranty expires in 2028.

There are still AEDs in locations with serial numbers starting with 30. These have been out of warranty for nine years!

The cost of pads and batteries will also go up but they can be replaced separately and will last four years instead of two. Pads will cost \$144 and the batteries \$233. So \$377 over four years is still only \$96 per year.

If you are interested in replacing your AED while you can get a rebate, please contact Delaney Rieke or one of our Board Members.

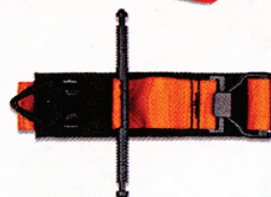

LIFE™ Kits/STOP THE BLEED Kits

Heart Safe La Plata has partnered with Chinook Medical Gear, Inc. to provide Lifesaving Interventions For Emergency (LIFE™) kits at the lowest possible price. These kits are very similar to the Curaplex **STOP The Bleed** kits but are available from a local vendor at a lower price. They include:

BASIC KIT

- (1) Fold-out Product Instructions
- (2) Pairs Nitrile Gloves (Latex Free)
- (1) EMT Scissors
- (1) Tourniquet (SWAT-T®, CAT®, SOF®, SAM XT® or RMT®)
- (1) Compressed Gauze
- (1) Trauma Bandage
- (1) Emergency Survival Blanket
- (1) Permanent Marker

BASIC

SWAT-T®	#06010
CAT®	#07010
SOF®	#09010
SAM XT®	#10010
RMT®	#11010

Basic LIFE kit	Part #	Retail	Your cost
SWAT	06010	34.75	25.93
CAT	07010	60.95	45.48
SOFTT-W	09010	60.89	45.45
SAM	10010	66.75	49.82
RMT	11010	63.49	47.39

Heart Safe La Plata recommends using at least the C-A-T® or SOF®TT-W orange tourniquet unless you are equipping trained EMS providers. We feel that the SWAT tourniquet is harder for community members to tighten properly.

If you are interested in obtaining LIFE kits for your location, please contact Delaney Rieke at 970-946-2512. You must go through us in order to receive this pricing. We will put you in contact with the right person at Chinook.

Chinook Medical Gear is also offering their higher level intermediate and advanced kits at reduced pricing. The Intermediate Kit with the CAT tourniquet (\$65.58) adds a QuickClot OTC Hemostatic Dressing. The Advanced Kit with the CAT tourniquet (\$78.25) adds a QuickClot OTC Hemostatic Dressing and a HyFin Vent Chest Seal Twin Pack.

We still have a few of the CuraPlex **STOP The Bleed** Kits. Let us know if you would like to purchase some of those.
